— large-scale agricultural mammals
(from Russian language dictionary edited by S. I. Ozhegova and N. Yu. Shvedova)

Dear guests, please note that the restaurant's kitchen takes orders from Sunday to Thursday until 23:30, on Friday and Saturday until 0:30

We will happily organize a gala dinner or a celebration evening for you, preparing special dishes and selecting drinks. But we can not allow coming here with your own alcohol and food.

Our restaurant shares family values and loves all our young guests! But unfortunately we do not have a children's playroom or animators, so we kindly ask our young guests to behave like adults.

FROM HORNS TO LEGS

In our recipes, we use every part of the carcass. We believe that delicious meat is not only steak from premium cuts. We encourage you to use every part. We are against "meat fascism"!

KUBAN MEAT

In our restaurant, all our dishes are made from local Kuban meat! The quality of meat and cooked dishes is not determined by "soft or not soft" meat!

BUTCHER SHOP + DRY AGING ROOM

Meat, from which we prepare our dishes, comes to us in whole carcasses! Boning and cutting takes place in the meat shop, located at the entrance to our restaurant. There's also a dry aging room where meat is fermented, guaranteeing the juiciness and rich meat taste of steaks.
