SCOTINA

INFUSIONS 40 ML

All our infusions are made following our own recipes with local fruits and berries. The drinks are based on grape distillate from Praskoveysky distillery. Russia

Raspberry 300 ₺

The only infusion that went through fermentation process.

Sour hint and bright raspberry wine aroma.

Smoked pear 300 ₺

This infusion is made from local smoked pear. Smoky and fruity.

Grapefruit and chili 300 ₺

This infusion is made from grapefruit zest and juice with chili pepper. Light bitterness of grapefruit and spiciness of chili pepper.

Wild cherry 300 ₺

The masterpiece of our collection, cherry stone and berry, aged together in red wine oak barrels.

Seasonal drink, prepared once a year.

Cherry plum 300 ₺

Cherry plum infusion, aged for 6 months in glass bottles and in red wine oak barrels for another 3 months. Delicate and slightly sour plum aroma with light berry drink aftertaste.

Blackcurrant 300 ₺

Rich blackcurrant flavour, intertwined with tones of honeysuckle and light acidity makes this drink perfect for any occasion.

Cornel cherry 300 ₺

Astringent, sour finish with slight sweetness. It takes a year to prepare this infusion. Contain late harvest wild berries.

Limoncello 300 ₺

Variation of famous liqueur with addition of lemon juice.

Southern horseradish 300 ₺

Known by many, prepared with a new recipe, slightly spicy and filled with creamy notes of Madagascar vanilla — our beloved Southern horseradish from Kuban.

Real mulled wine (750 ml) 1350 ₺

Based on red wine from Saperavi Krasnostop grapes, cinnamon, cloves, orange, lemon and blackcurrant.

Raspberry white mulled wine (750 ml) 1350 ₺

Made with white wine from Sauvignon Blanc grapes, raspberry, lime, lemon, cloves, star anise and cinnamon.
